

co-sponsored by:

European Space Agency (ESA)
International Society for Gravitational Physiology (ISGP)
European Low Gravity Research Association (ELGRA)

Joint Life Science Meeting

'Life in Space for Life on Earth'
13-18 June 2010
Trieste – Italy

First Announcement

The European Space Agency (ESA), the International Society for Gravitational Physiology (ISGP), and the European Low Gravity Research Association (ELGRA) announce the ESA/ISGP/ELGRA Joint Life Sciences Meeting 2010 and invite international scientists to present investigative results in space and gravitational biology, physiology and experimental medicine at the joint:

31st Annual ISGP Meeting
11th ESA Life Sciences Symposium
ELGRA Symposium

The second announcement and call for papers brochure will be posted early in 2010.

You are most cordially invited to attend this meeting, for more information please visit: www.congrex.nl/10a09

Local organizer : Gianni Biolo
